Mr. Baftjar Muçaj Vllahine is resident in Vllahine village, the district of Vlora. Mr. Baftjar Muçaj and his wife are invalid (he has only one rein and the woman has cardiac problems) since October 2001. Together with his wife he works as a nurse at the Health Center of Vllahine. He is very passionate with the agriculture, he planted fruit trees and olive saplings since 1992 and year to year he began to increase the number of trees planted and the quantity produced. Mr. Muçaj has participated in many trainings and seminars conducted by the Department of Agriculture and the various associations that work with farmers to the new technologies in the field of agriculture but also treatment plants with organic pesticides, certification and marketing field.

Mr. Muçaj has a Bio certificate that guarantees the standards completed for 2 and 0.5 tons of olive (Frantoje & Kalinjot type). These standards are very important for the customers and give them the guarantee for the quality of the products. He sells all the fruits and olive oil in Vlora market but he has also requests by customers in Tirana and more.
